Vince – Ken called me about this.

**Deliberative Process / Ex. 5**

**Deliberative Process / Ex. 5**

He wants the letter to Tom to be formalized and done in a memorandum format.  
I think we could then attach the unedited version to the final memo.

Also – Ken called out Lynn in his email but didn't cc her.  
I was the only one included on Ken's e-mail in addition to you.  
So – I am copying Lynn here, just to keep her in the loop (and adding Norm and Sam, just as an FYI).

Also, also – **Deliberative Process / Ex. 5**  
Are there others looking at this, as well (Catherine? Alan?).

Vince:

I think Glinda has done an outstanding job!

**Deliberative Process / Ex. 5**

**Deliberative Process / Ex. 5** In fact, it might be useful to transmit an edited version and an unedited version of Glenda's review without attribution.

Will you prepare a version to be forwarded to Tom and forward to me for review. I will have Leslie forward to Tom using the memorandum format that we recently instituted.

Thanks,

Ken

Hello everyone—Here's Glinda's review of OPP's epidemiology section. Glinda makes many important points that Tom should see, and she also provides constructive suggestions that would greatly improve their next internal draft—Vince
